

Ref.....

Date.....

No Objection Certificate (NOC)

To Whom It May Concern,

Project Title: Toward ML-Based Psychological Assessment of Autism Spectrum Disorders in School & Community

Reference No.: BBEC.JU/M 2022/11(1)

Date of Ethical Approval: 04 July 2022

Approved by: Institutional Ethical Review Committee, Jahangirnagar University

As the principle investigator, Ms Sadia Afrin, a graduate researcher at Jahangirnagar University, has been given permission to use the dataset collected under the above-mentioned ethically approved research project. However, this permission shall be granted to her research work entitled "An Intelligent Assistive System for Autistic Learners" and the following terms and conditions are applied to this permission:

1. The dataset shall be used exclusively for scholarly research and academic publication purposes.
2. The confidentiality, anonymity, and privacy of participants will be strictly maintained in accordance with international ethical standards.
3. No personally identifiable information will be disclosed or published under any circumstances.
4. Appropriate citation and acknowledgment of the original study and data source will be included in all publications, presentations, or derivative works resulting from the use of the dataset.
5. The dataset will not be shared with any third party without prior written consent from the Principal Investigator.

This letter serves as formal documentation of the granted permission and may be submitted to journals, academic committees, or institutional bodies as required.

Sincerely,

Prof. Dr. M. Shamim Kaiser
